

church music/reprint license comparison chart presented by www.LightTheFireMusic.com

<p>What types of songs do you want and from what catalogs/publishers? <i>Public domain songs are not included here since they don't require reprint licenses</i></p>	<p>Who wrote/performed the songs you want to include in your repertoire? <i>Note that some artists/writers/publishers/songs may be represented by multiple catalogs/hymnals/reprint licenses.</i></p>	<p>Here is where you find octavos/sheet music (octavos include vocal arrangements, piano score and guitar chords) for your choir <i>(online sheet music could be downloadable or to order hard copy to be shipped)</i></p>	<p>These give you blanket permission to print up text/melody lines (songsheets, bulletins, custom hymnals/booklets, assembly cards, programs, worship aids) or to copy from hymnals or project on overhead/PowerPoint</p>	<p>These provide access to pre-formatted assembly editions (text/melody/credits) of songs to save you the trouble of typing them up or having to make sheet music lead lines; <i>permission is still needed via reprint licenses</i></p>
